02 July 2017	Todmorden - Hebden Bridge (Monument Walk) - Todmorden	OL 21 South Pennines
-----------------	--	-------------------------

Walk Leader(s) Nigel and Ken

Walk Route: Morning **Grid** 931 251

Start:Town Hall in the centre of Todmorden, take the Rochdale road A6033 cross the canal, turning left and immediately left again around the Golden Lion pub to walk up Longfield road. Keep ahead as the main street veers away to new houses, but then swing right take a track to the left, to find yourself suddenly on the tops. When the track forks keep left to a farm, from where you will get the first glimpse of our destination – Stoodley Pike-on the horizon ahead. Continue along the farm track to a road. Go left to find a pub, the Shepherds Rest in splendid isolation. Opposite the pub take a track leading through a gate, uphill, on to Langfield Common. Keep ahead past a waymark along a distinct and well graded path that rises across the steep hillside below Langfield Edge. Levelling at the top, it is joined at by another path to round the head of the clough. The way runs on above the edge, eventually intersecting a broader path. Go left towards the distant monument. Later rising from a dip, branch left at a minor fork and, ignoring the crossing of Calderdale Way, carry on past an ancient marker stone, marked Long Stoop to Stoodley Pike, 0.75 mile further on. On arrival at the monument we take a lunch break, please put a torch in your bag if you wish to explore the monument, after lunch we take the well-marked path down into Hebden Bridge. Pub to be decided, afternoon walk, canal back into Todmorden

Lunch Stop Location: Hebden Bridge

Afternoon:

Canal back into Todmorden

Afternoon Todmorden
